Camp Spotlight, Georgia's premiere performing arts summer camp, is able to provide workshops with Broadway veterans, superstars and more. In its 7th successful season, Camp Spotlight is a true professional experience for campers age 7-17. It provides the opportunity to work with Mr. Stepp Stewart – an Emmy nominated Producer/ Director/ Choreographer -

who has worked in the theater for over 40 years. He has employed hundreds of performers, costumers, hair and make-up artists, crew members and more. The goal of Camp Spotlight with Stepp Stewart is to get the most out of its campers so that they can give the most to their audience. Stepp Stewart and his Dynamite staff bring their professional expertise and knowledge to the camp while allowing the campers to discover and develop their own talents. Past campers have had the opportunity to perform and work with superstars like Chris Tucker and participated in private workshops with stars from Broadway's "Hamilton", "In the Heights" and "Tina". They have participated in one-on-one talkback sessions with international recording artist Cece Peniston and were granted a private tour of Black Hall Studios. They have also found themselves on professional stages and television & movie sets. In 2022, the camp took New York City by storm for the very first time! This is a camp with a focus on MOTIVATION, DRIVE and GOALS with concentrations in fitness, healthy eating, mental resilience and group support.

Where they arrive as Kids but leave as Stars!

NEW YORK, NEW YORK

Friday, July 14, 2023 – Sunday, July 16, 2023

Camp Spotlight with Stepp Stewart will take its second out-of-state field trip to NYC. The trip will give campers the opportunity to see a “*real Broadway show*” in person. Stewart, who is a Broadway veteran and Theatrical producer, had planned to take the campers prior to the pandemic and then... “well we know the rest”. The camp is now back on track with Mr. Stewart’s ultimate goal to “take the camp to Broadway”. Most of the campers have never even been on an airplane and this will be a wonderful way to experience the true focus of Camp Spotlight. Though on a field trip, they will have camp classes in New York City, lead by Broadway performers. They will stay in a Times Square hotel, attend at least two Broadway shows, visit the 911 memorial, see Harlem and the Apollo Theatre and so much more.
