

Summer Camp **SPOTLIGHT** WITH STEPP STEWART

Where they arrive as Kids but leave as Stars!

Summer of Soul... in New York!
Friday, July 15, 2022 – Sunday, July 17, 2022

Camp Spotlight with Stepp Stewart, will take its first out-of-state field trip to NYC.

The trip will give campers the opportunity to see a “*real Broadway show*” in person. Stewart, who is a Broadway veteran and Theatrical producer, had planned to take the campers prior to the pandemic and then... “well we know the rest”. The camp is now back on track with Mr. Stewart’s ultimate goal, to “take the camp to Broadway”. Most of the campers have never even been on an airplane and this will be a wonderful way to experience the true focus of Camp Spotlight. They will stay in a Times Square hotel, attend at least two Broadway shows (**including MJ - Michael Jackson The Musical**) visit the 911 memorial, see Harlem and the Apollo Theatre and so much more. Though on a field trip, they will have camp classes in New York City, lead by Broadway performers.
